#### **DRIVING DIRECTIONS FROM LIBERIA**

**(A little over ONE-HOUR driving time.)**

Leave the airport and at the main road turn right.

If you are leaving the car rental places, head away from Liberia towards Santa Cruz. Roughly 30 minutes down the road in Belen you will turn right where you see signs for Tamarindo, Conchal and Playa Grande. Follow this road into Huacas where the road divides...left to Tamarindo and right to Playa Grande. Go to the right and proceed on to Mantapalo. Just after the soccer field/plaza in Mantapalo you take a left at the stop sign towards Playa Grande. It is well marked. Cross over the small one-way bridge in Matapalo.

In about 8 minutes look for the WilMart Grocery Store on the left. It's your last chance and a good place to stop for groceries. After another couple of minutes of driving, you'll arrive at the north end of Playa Grande. Look for El Huerto restaurant on the right and Kike's Place low on the left. Veer to the left after Kike's (following the signs to **Hotel Manglar**). Go down the hill and head left at the next junction. The road continues straight less than a ¼ mile and turns to dirt. Stay on the dirt road to reach our neighborhood, Palm Beach Estates (large sign on left). There will be a guard shack at the sign and a gate. After dark, check in with the guard. During daylight hours, proceed through the entrance. After the entrance to Palm Beach Estates, stop at the second house on the left. There you'll find our Property Manager, Manfred's home where you'll get the house key. Manfred will lead you to the house and provide a brief orientation. You'll take the next right and follow the road around. (Continue to follow signs to **Hotel Manglar**). This will bring you to our home on the right-84 Palm Beach Estates. If you see Catarana on the left you have just passed the house.

#### **DRIVING DIRECTIONS FROM SAN JOSE**

**(Approximately 4.5 to 5 HOURS driving time, varies with traffic.)**

From San Jose, leave the airport and follow the signs in the direction of San Ramon. You will be traveling the Pan American Hiway North bound toward Liberia/Penas Blancas. You will drive about 2 hours or more to the 4-way traffic signal in Liberia (Burger King). Turn left (west) following the signs for Nicoya, Puente la Amistad and Santa Cruz. You will pass over a bridge. At this point, you are approx. 2 hours from Playa Grande. When the road ends, turn right and go past Nicoya and Santa Cruz. Go into Belen where you will turn left when you see the signs for Tamarindo, Conchal and Playa Grande. Follow the **\*Liberia Directions** from that point.
